DEAR CENTER SUPPORTERS

*“Act as if what you do makes
a difference. It does.”*

– William James

Every day, The Center works to make a difference, and every day, you help us do it. The Center is an intrinsic part of your San Diego community. It is built of individual community members — you, your neighbors, your friends and family — all of us. And that’s as it should be. The Center is all of us, working together in our many different ways to make our community and our world a better place.

The Center offers something different for everyone. Whether you are passionate about social justice and full equality for all, seeking counseling or HIV testing, concerned about LGBT seniors’ issues,

eager to meet other LGBT families with children, looking for culturally-competent, Spanish speaking services or simply searching for ways to connect to your community, The Center is here for you — for all of us.

The Center represents the best in all of us. It represents our commitment to care for our community and its members. It is an attitude, a symbol, a set of values and a firm commitment to equality, health and human rights.

And you are part of it.

***Thank you for joining us and helping
us make a difference.***

The San Diego LGBT Community Center

is the nation's second oldest and third largest LGBT community center. Functioning as the LGBT community's flagship organization, The Center is led by a 16-member board of directors, employs over 40 paid staff and utilizes more than 800 community volunteers to achieve its twin goals of promoting LGBT health and human rights. The Center provides direct program services to the many different facets of the LGBT community, including youth, seniors, families, LGBT Latin@ community members and their families, and those struggling with HIV.

CORE CENTER PROGRAMS

Behavioral Health Services

The Center is home to the only community-based mental health clinic in all of San Diego County dedicated specifically to the behavioral health needs of the LGBT and HIV communities. It is also the largest provider of dedicated HIV mental health services in San Diego County.

While The Center provides ongoing individual, couple and family counseling, we also provide counseling services to youth, seniors, families, those struggling with relationship violence and transgender persons who need assistance with transition.

Family Matters

Family Matters serves approximately 400 LGBT and allied parents, their children of all ages and their friends and extended families. It offers support and educational opportunities for all parents and prospective parents, in addition to playgroups and social opportunities for families throughout San Diego County. Along with its full range of programming, Family Matters provides all children growing up in LGBT-headed families a place to see other families

like theirs. That recognition, along with the support and affirming environment Family Matters offers our families, is vitally important to the development of our children.

Hillcrest Youth Center

The Hillcrest Youth Center is the only drop-in center for LGBT youth ages 14-18 in San Diego County. It makes a life-changing difference for the youth who come through the doors each year. Too often their families, churches or schools have failed to protect and care for them. With your support, The Center can continue to be there for each one of them!

Latin@ Services

The Center's Latin@ Services program is a source of strength and support for LGBT Latin@s and their families. The program offers a range of services including Spanish-speaking support groups for LGBT people and their families, a drop-in center, client advocacy, transgender support services, HIV/STD prevention and education, and so much more.

Senior Services

Senior Services and our "50 and Better Together" group strive to create a safe place for those 50 and up to access important resources and referrals related to health care, social services and other community activities.

As San Diego celebrates our growing number of LGBT seniors, it is vitally important that we are able to provide services to the ever-growing Stonewall generation of older LGBT adults whose struggle for equality is the foundation of today's work.

Sunburst Housing Project

The Center's Sunburst Housing Project — which provides stable housing and support services to 23 formerly homeless LGBT and HIV-positive young people — is a supportive housing program, offering not just housing, but also a full range of case management and support services to help increase the opportunities for a successful transition into young adulthood. Your continued support can help change the lives of those who have been too often tossed away, or left behind.

Women's Resource Center

Each month, more than 150 women access support and resources through the WRC. The WRC offers a diverse array of educational and social programs and the women's coming out group remains life saving and life-changing, providing support to women at a truly significant time in their lives.

CORE CENTER PROGRAMS

Dining Out for Life® San Diego

**Join us on Thursday, April 26,
2012, for The Center's fifth annual
Dining Out for Life®**

Dining Out for Life® is an international fundraising event involving the generous participation of restaurants throughout the country. In exchange for pledging 25%-100% of their day's food and liquor sales, restaurants receive promotional materials and are listed in a city-wide marketing and advertising campaign in an effort to increase customer traffic.

Dining Out for Life® raises funds to benefit The Center's HIV/AIDS services and prevention programs.

AIDS Walk San Diego

AIDS Walk San Diego is San Diego's largest one-day HIV/AIDS fundraiser and the biggest non-governmental financial provider for HIV/AIDS in San Diego County.

HIV/AIDS agencies in San Diego County — serving thousands of clients — rely on funds raised at the annual AIDS Walk to help provide essential prevention and care programs to thousands of men, women and children living with HIV/AIDS.

Established as AIDS Walk San Diego in 1989, this event took place for two years prior as the Walk for Life. Through a unique funding partnership with the San Diego HIV Funding Collaborative, AIDS Walk San Diego is able to increase the impact of the dollars raised at the event. Funds from the Walk are combined with donations from other philanthropists and foundations to qualify for matching funds, which are distributed to local HIV/AIDS service providers.
