THE CENTER 2013 ANNUAL REPORT

SAN
DIEGO
LGBT
COMM
UNITY

The mission of The San Diego LGBT Community Center is to enhance and sustain the health and well-being of the lesbian, gay, bisexual, transgender and HIV communities by providing activities, programs and services that:

- Create community,
- Empower community members,
- Provide essential resources,
- Advocate for civil and human rights, and
- Embrace, promote and support our cultural diversity.

TURNING 40 NEVER FELT SO GOOD!

This year, as the San Diego LGBT Community Center celebrated its 40th year of service and advocacy, we also were able to celebrate momentous gains for equality that our collective decades of work helped bring about.

Over the years, so many individuals and groups have come together at The Center to volunteer and organize in the fight for full equality. We were beyond thrilled to join together to celebrate the historic marriage equality rulings from the United States Supreme Court – one striking down Section Three of the so-called Defense of Marriage Act (DOMA) and one invalidating Proposition 8, restoring the freedom to marry to same-sex couples in California. In this year alone, marriage equality has been secured in seven states, bringing the total number to 16, plus the District of Columbia!

The Center continues to serve our community with programs and services of the highest quality – we had more than 55,000 service visits in this past year. Building on that solid foundation, we were thrilled to launch Project TRANS this year, an innovative program specially designed to serve our transgender community members.

As we reflect on the past 40 years and all of the challenges we've faced together, the triumphant moments we've created together and the countless thousands of people we've helped, we know we are incredibly fortunate here in San Diego. Fortunate to have this organization, Our Center, that has been changing lives and impacting public policy at all levels for four decades. We are honored to be part of it, and we thank you for your generosity and commitment to The Center.

We can't wait to see how fabulous 50 will be!

FISCAL YEAR 2013 DEMOGRAPHICS

It is an explicit goal of all Center programs to be inclusive and representative of the diversity found in the San Diego community. Honoring, promoting and celebrating our community's amazing diversity are central organizing principles for The Center, as well as part of our mission statement. We are proud that both our staff and client demographics nearly exactly reflect the demographics of San Diego County and, in some instances, are even more diverse.

CORE CENTER PROGRAMS

Behavioral Health Services

The Center is home to the only community-based mental health clinic in all of San Diego County dedicated specifically to the behavioral health needs of the LGBT and HIV communities. It is also one of the largest providers of dedicated HIV mental health services in San Diego County. While The Center provides ongoing individual, couple and family counseling, we also provide counseling services to youth, seniors, families, those struggling with relationship violence and transgender persons who need assistance with transition.

Family Matters

Family Matters is designed to provide resources, education, support and opportunities for community engagement for LGBT-headed families and those considering parenthood. From the provision of school supplies and basics to families impacted by the financial downturn, to workshops focused on parenting skills, school choice, resources for adoption/fostering options and including family activities, Family Matters provides LGBT-headed families the support and resources many need to develop and sustain healthy and affirming child and family development.

Hillcrest Youth Center

The Hillcrest Youth Center is the only drop-in center for LGBT youth ages 14-18 in San Diego County. It makes a life-changing difference for the youth who come through the doors each year. Too often their families, churches or schools have failed to protect and care for them. With your support, The Center can continue to be there for each one!

Latin@ Services

The Center's Latin@ Services program is a source of strength and support for LGBT Latin@s and their families. The program offers a range of services including Spanish-speaking support groups for LGBT people and their families, a drop-in center, client advocacy, transgender support services, HIV/STD prevention and education, and so much more.

Men's Services

The Center's Men's Services balances the serious with fun and games in its list of offerings for all GBT men. Just for fun, there's "Guys, Games and Grub," one of the more popular social events. It packs the auditorium with men of all ages every first Wednesday of the month. Older men who avail themselves of Men's Services tend to be dealing with isolation, and find camaraderie that may otherwise be missing from their lives. Younger men may be struggling with the coming-out process and find the personal guidance they seek. All find the opportunity for support from other GBT men.

Project TRANS

Our transgender community is an important part of The Center, and of our broader community. While all Center programs are transgender inclusive and supportive, we also have services designed specifically for the transgender community. Project TRANS (Transgender Referrals, Assistance, Networking and Services) offers a broad range of services and activities – from counseling, discussion groups and referrals to advocacy, workshops and social events. Our immediate goal is to provide a welcoming, supportive environment. Our ultimate goal is to help build a world of equality, respect and opportunity for all of us.

Senior Services

Senior Services and our "50 and Better Together" group strive to create a safe place for those 50 and up to access important resources and referrals related to health care, social services and other community activities. As San Diego celebrates our growing number of LGBT seniors, it is vitally important that we are able to provide services to the ever-growing Stonewall generation of older LGBT adults whose struggle for equality built the foundation for our community.

Sunburst Youth Housing Project

The Center's Sunburst Youth Housing Project – which provides stable housing and support services to 23 formerly homeless LGBT and HIV-positive young people – is a supportive housing program, offering not just housing, but also a full range of on-site case management and support services to help increase the opportunities for a successful transition into young adulthood. Your continued support can help change the lives of those who have been too often tossed away, or left behind.

Women's Resource Center

Each month, more than 150 women access support and resources through the WRC. The WRC offers

a diverse array of educational and social programs and the women's coming out group remains life-saving and life changing, providing support to women at a truly significant time in their lives.

SIGNATURE EVENTS

AIDS Walk San Diego

There is no cure for AIDS. Our best weapon to fight this disease today is through a proven combination of education, testing, and treatment. There are currently an estimated 12,500 men, women and children battling HIV/AIDS in San Diego County. Of those, only one in three people in San Diego who have HIV/AIDS are routinely able to access HIV primary medical care and HIV medication.

This is why AIDS Walk (Run & Street Challenge) San Diego exists. Each year, more than 8,000 individuals, teams, social clubs, local businesses, schools and universities, faith organizations, and more come together in beautiful Balboa Park on the last Sunday in September to remember those who have been lost to the disease and raise money to support those who are still living

with it. AIDS Walk & Run San Diego has a dual mission to increase community awareness about testing and treatment resources here in San Diego, as well as to raise critical funds for the direct service providers in our community who are at the front lines of the epidemic.

Dining Out for Life® San Diego

On the last Thursday in April each year, thousands of San Diegans Dine Out to Fight AIDS. Dining Out for Life® is an international fundraising event involving the generous participation of restaurants throughout the country. Restaurants and bars across San Diego pledge to donate 25-100% of that day's food and liquor sales to benefit HIV/AIDS services and prevention programs at The Center. Visit us at events.thecentersd.org/DOFL.

Harvey Milk Diversity Breakfast

The Harvey Milk Diversity Breakfast is designed to bring together more than 1,000 diverse San Diegans – business, labor, Democrats, Republicans, all communities, all ages, all San Diegans who support equality and justice – to celebrate the memory of this influential civil rights activist.

Happy Birthday Frida (Pachanga de Frida)

Each year we celebrate the birthday of Frida Kahlo, commemorating the legendary life of one of the most influential Mexican painters of the mid-twentieth century while enjoying live music multiple art exhibits by local Latin@ artists and vendors, a Frida look-a-like contest, great food and Tequila! Proceeds from this event benefit Latin@ Services at The Center.
