

THE SAN DIEGO LGBT COMMUNITY CENTER

2020 ANNUAL REPORT

JULY 1, 2019 - JUNE 30, 2020

THE SAN DIEGO LESBIAN, GAY, BISEXUAL, AND TRANSGENDER COMMUNITY CENTER

The San Diego Lesbian, Gay, Bisexual, and Transgender Community Center, Inc. (d.b.a., The Center) is one of the largest and most vibrant LGBTQ community centers in the nation. Functioning as the San Diego LGBTQ community's anchor organization, The Center is led by an 11-member board of directors, employs more than 70 paid staff and utilizes more than 1,200 community volunteers to achieve its twin goals of promoting LGBTQ health/wellness and human rights. The Center provides targeted programs and services to the full diversity of the San Diego LGBTQ community, including men, women, youth, seniors, transgender and nonbinary individuals, families, LGBTQ Latino/a/x community members and their families, and those living with HIV. Last year, The Center provided more than **87,350** direct service visits to San Diego community members, and through its events, activities and advocacy, touched the lives of thousands more.

MISSION STATEMENT

The San Diego LGBT Community Center enhances and sustains the health & well-being of the lesbian, gay, bisexual, queer, transgender, nonbinary, immigrant, and HIV communities to the betterment of our entire San Diego region.

VISION

At The San Diego LGBT Community Center every person feels and knows that they are welcomed, valued, and supported. As the beacon for our regional LGBTQ community, each day we actively recommit to be a more vibrant, bold, innovative, safe, and modern Center than the day before.

VALUES

- Dignity** – Building pride, self-respect, and mutual-respect in everyone.
- Inclusion** – Welcoming and serving all members of our community.
- Compassion** – Caring about the needs of others and supporting them from a place of kindness and willingness to help.
- Respect** – Meeting, listening to, and acknowledging our community on its own terms; honoring each as a whole person.
- Equity & Equality** – Advocating for and intentionally reducing barriers to fair treatment, access, opportunity, and advancement for all our community members, inside and outside our Center.

A Message from The Center's Board Co-Chairs Joanna Clark and Lisa Sanders

As we pause a moment to reflect on the past year, it's truly staggering to think about all the ways our world has changed, and painful to see all of the ways that it hasn't.

In June 2020, the U.S. Supreme Court issued a landmark ruling that bans discrimination against LGBTQ people in the workplace. Just days before that ruling, the world saw the horrific murder of George Floyd, and responded resoundingly with calls to end police brutality and acknowledge the simple, basic truth that Black lives matter.

These impassioned calls for changes in policing and ending systemic and structural racism are taking place in the midst of the global health pandemic that is COVID-19 and its corresponding and devastating financial impacts. All of this as we approach the most consequential presidential election of our lifetime, the 2020 Presidential Election, one in which our sacred American right to vote is also being challenged from multiple directions. These certainly are stressful and trying times for our community.

But we are hopeful for a bright future based on the work of The Center and Board this past fiscal year. The Center completed a comprehensive Strategic Planning process to guide the organization into the future. Community participation in our Strategic Planning effort exceeded expectations with the full diversity of our community participating including seniors, families, the Latino/a/x and Black communities, transgender and nonbinary community members, youth, Center volunteers and donors, and current and former Center staff and board members, and LGBTQ allies. You can see this Strategic Plan in the pages of this Annual Report.

Now, during this pandemic, it's astonishing to think of all of the ways that The Center has brought about positive change and adapted to completely new models of service delivery during COVID-19.

When we had to limit in-person services on March 20, 2020 due to the pandemic, we were actively preparing for two of our major fundraising events – Dining Out For Life® San Diego and the Harvey Milk Diversity Breakfast. Two things quickly became clear – we would not be able to rely on those events for the planned revenues and, at the same time, our community needed us more than ever.

Our amazing staff, led by our Chief Executive Officer Cara Dessert, quickly pivoted to a completely new service delivery model. Utilizing telehealth sessions for Behavioral Health Services, adopting new protocols for HIV testing and food distribution, making adjustments in our housing programs, The Center has ensured – as we always have – that we are here for our LGBTQ community when they need us the most.

On behalf of the Board of Directors, we want to thank you for your continued support of your San Diego LGBTQ Community Center. As we collectively work to emerge from the incredible challenges of this time, we will endeavor to strengthen our organization, our San Diego LGBTQ community, and each person who comes to us seeking support, service, and assistance.

In pride and gratitude,

A Message from The Center's Chief Executive Officer

Even though the COVID-19 pandemic has forced closures throughout the U.S., The Center has been operating on all cylinders with a hybrid of in-person and virtual services. **When we look back on this year, and all that we've accomplished together in spite of historic challenges, the collective work of The San Diego LGBT Community Center is remarkable.**

Thanks to the support of so many in San Diego, The Center's programs provided a record number of over **87,300** service visits to our community over the past fiscal year. We also strengthened key services and celebrated milestones including:

- Created a housing continuum with specialized programs and services for youth, adults, seniors, couples, and families experiencing homelessness or housing insecurity
- Reimagined our #BeTheGeneration campaign into an entire Sexual Health & Wellness program
- Celebrated the one-year anniversary of our South Bay Youth Center, twenty years at our Hillcrest Youth Center, and fifteen years of Latin@ Services
- Continued to offer specialized immigration/border support to LGBTQ immigrants and their families
- Engaged in public policy and advocacy efforts with the Coalition for Police Accountability and Transparency; and mobilized to maximize participation in the U.S. Census and ensure access to voting
- Deepening our commitment to combating anti-Black racism, we held a Town Hall for the Black LGBTQ community, created a Black LGBTQ Community Advisory Committee, as well as services, programs, and opportunities to better welcome and serve the Black community
- Completed a comprehensive Three-Year Strategic Plan to guide the organization into the future. We were deeply inspired by our community and their investment in the work of The Center and our plan to expand our efforts to better serve the full diversity of our community

As a result of the COVID-19 pandemic, the last several months of The Center's fiscal year required us to recalibrate and respond to this unprecedented public health crisis with Emergency Services — including Behavioral Health Services, HIV testing and healthcare enrollment, food resources, virtual support and discussion groups, critical housing needs, and an Emergency referral and resource phone line.

As we've done for nearly five decades, The Center has continued to serve our diverse and vibrant community with tremendous creativity, compassion, and care. Whether we are endeavoring to meet the challenges of homelessness, racism, or a global pandemic, our community always comes together, organizes, and emerges stronger, more united, and more committed than ever. Welcoming in the full diversity of our San Diego LGBTQ community and mobilizing to serve the most vulnerable among us is part of our DNA — it's who we are as an organization, and as a community.

On behalf of all of us at The Center, I thank you for the incredible support that has allowed us to continue building on this legacy of service and commitment to a San Diego where all LGBTQ people are valued, cared for, and respected.

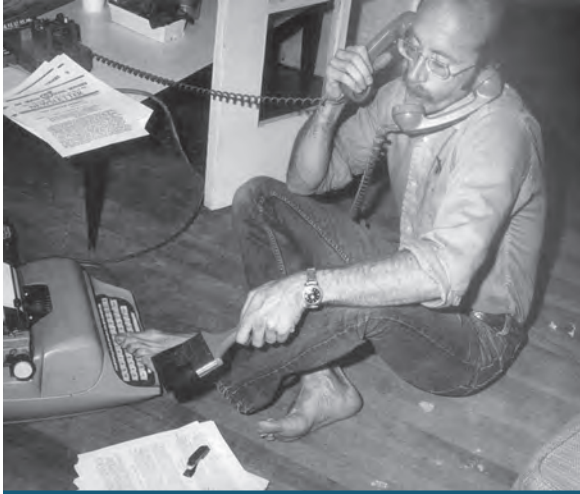

With deep gratitude,

IT STARTED WITH...

In 1971 our world was a very different place. Being “out” simply wasn’t an option for many. Just being a member of the LGBTQ community could be dangerous, and there was no place to turn for help. We are proud of the history of The Center’s service and the strides it continues to make to be a more inclusive, welcoming, and safe space for the entire diverse LGBTQ community.

Originally just an answering machine in a borrowed closet that served as a lifeline for those looking for compassionate connection, it is now one of the largest and most vibrant LGBTQ Community Centers in the nation. We provide our community with more than 87,300 direct service visits each year with programs including Behavioral Health Services, Black Services, Family Services, Latino/a/x Services, Men’s and Women’s Services, Seniors/50 and Better Services, Transgender, Nonbinary, and Youth Services. The Fiscal Year began on July 1, 2019, but as we know, the state of California shifted on March 19, 2020 to a Stay-At-Home order. The Center closed the doors to its main facility and quickly pivoted to remote services. As the pandemic continues, we are employing a hybrid model to serve our clients and using creative ways, both virtually and in-person, to continue to serve and create community. The numbers on this page are a snapshot of just some of our numbers in action during this Fiscal Year. The next page focuses on specific services and service visits that The Center provided during the COVID-19 pandemic.

“Eight years ago, I was kicked out of my home because I was gay. I was homeless and couch surfing, then I found Sunburst Housing Project. Over the years, The Center staff helped me enroll in college, and got me into therapy for my anxiety and depression. I graduated from college and am now moving in with my boyfriend. I am so grateful to Sunburst staff for the support I received over the past years.”

“My mom brought me to The Center for my first HIV test. I was scared as we never talked about sex, and I had been having it, sometimes without condoms. The Center staff showed me how to talk to partners about sex, boundaries, and status. I’ve never had anyone speak so freely and openly to me. I even asked if they could talk to my mom about getting on PrEP and they did! This helped me so much, and my relationship with my mom is even stronger and more honest.”

"I am HIV+ and was running out of medication. I was scared to go on public transportation with COVID-19 out there, and I don't have a car. The Center called my pharmacy and arranged to get my medications delivered to me. It's hard to say how relieved and grateful I am."

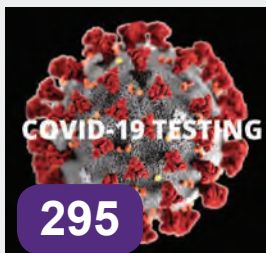

"I am a low-income gay senior. During COVID-19, The Center has given us face masks, nutritious food, and emotional support. They even call me just to check in. I don't feel so alone and I truly don't know what I would do without them."

"I am in San Diego, waiting for my asylum case to get resolved. I got COVID-19 and was afraid to go to the hospital. The Center helped me find a hospital and the courage to go. #BETHEGENERATION

In 2014, The San Diego LGBT Community Center launched the groundbreaking #BeTheGeneration campaign as an aggressive and strategic effort to end new HIV transmissions in San Diego. Based on findings from both the Centers for Disease Control and Prevention and the World Health Organization, reports showed that use of PrEP and PEP medications could decrease a person's HIV risk by up to 99 percent. The #BeTheGeneration campaign was prompted by that medical evidence and offered a much-needed new opportunity to stop HIV as an epidemic with a bold new campaign.

Today, #BeTheGeneration has morphed into an entire program at The Center that focuses on Sexual Health and Wellness for the LGBTQ community and beyond.

#BeTheGeneration (#BTG) is The Center's comprehensive Sexual Health & Wellness Program that ensures individuals are empowered to take charge of their sexual health and well-being. Comprised of five tenets, this program will Empower by utilizing a robust combination of education, engagement, and services; Fight to reduce stigma and barriers and improve access to screening; Test so individuals know their status; Protect by providing information to make informed choices on how to remain HIV negative and STI free; and Treat by providing resources and care should they be diagnosed with HIV and other STIs.

THE CENTER'S HOUSING SERVICES

San Diego is experiencing a housing crisis and our LGBTQ community is significantly impacted. The San Diego LGBT Community Center is extremely proud of our work to help LGBTQ people who are experiencing housing insecurity or experiencing homelessness. Housing insecurity and homelessness create other impacts on a person's health and well-being and The Center is deeply committed to doing all we can to support them.

PERMANENT & SUPPORTIVE HOUSING

SUNBURST YOUTH HOUSING PROJECT

Sunburst Youth Housing Project is a 23-unit facility that provides safe and supportive housing for homeless youth between 18-24, with a special focus on LGBTQ and youth living with HIV. Youth have access to critical support services such as case management, connection to health care, on-site mental health services, benefits enrollment, HIV testing, life skills training, educational and employment support.

KARIBU

Karibu is a 21 unit, scattered-site permanent housing program that supports those ages 18 and older. These units are located across San Diego County. Residents receive critical support services such as case management, connection to health care, benefits enrollment, HIV testing, life skills training, educational and employment support.

NORTH PARK SENIOR APARTMENTS

A 76-apartment unit and San Diego's first LGBTQ-affirming affordable senior complex. Open to all, North Park Senior Apartments provide an affirming, affordable, and supportive community. The Center provides on-site programming to residents, and case management to formerly homeless residents. The Center worked for a decade with Community Housing Works to gain support and funding for the complex.

EMERGENCY HOUSING & SUPPORT SERVICES

LGBT SAFE S.T.A.Y.

Overnight Emergency Housing for transitional age youth, ages 18-24, available five nights a week. Resources include gender-neutral living quarters and restrooms, shower, laundry facilities, clothing, toiletries, as well as an LGBTQ empowering staff and case managers who provide access to resources and referrals, with a focus on locating permanent housing for the youth.

HOMELESSNESS PREVENTION & DIVERSION

Designed to assist individuals and families in the County of San Diego who are facing housing instability or are currently unhoused. Services for those facing housing instability include outreach, temporary rental assistance, housing navigation, budgeting resources, utility assistance, and short-term case management services. Clients facing homelessness receive assistance with referrals to shelter solutions, short-term case management, housing search assistance, rental deposit assistance, temporary rental assistance, and deposit assistance. Staff provides public benefit enrollment assistance, and provide internal referrals to The Center's programs.

PROJECT COMPASSION

A tangible, action-based program that offers direct supportive resources for those experiencing homelessness. It provides clients with needed items like socks, toiletries, clothes, food, and water and also connects community members to internal and external resources including medical care, mental health services, addiction and recovery options, specialized case management, housing navigation and benefits enrollment assistance.

HOST HOME PROGRAM

Forty percent of youth experiencing homelessness identify as LGBTQ, and the majority of these youth cite family rejection as the reason why. The Center's Host Home Program identifies, screens, and trains community members who are known to the youth (18-24) and are willing to host them in their home on a short or long-term basis. The host-home program is a cost-effective way to provide LGBTQ youth experiencing homelessness with a safe place to stay and a chance to better access support services.

FAMILY REUNIFICATION PROGRAM

The Family Reunification Program seeks to reconnect LGBTQ youth with their families, when safe and appropriate, while the entire family receives counseling and supportive services. Support services may include transportation to where family is located, local resources for families, connection to mental health services, and support groups at The Center.

FISCAL YEAR 2020 DEMOGRAPHICS

It is an explicit goal of all Center programs to be inclusive and representative of the diversity found in the San Diego community. Honoring, promoting, and celebrating our community's amazing diversity are central organizing principles for The Center, as well as part of our Vision Statement.

NEW AT THE CENTER

In this past fiscal year, The Center has expanded its offerings to better serve the beautiful diversity of our LGBTQ community.

NEW DISCUSSION GROUPS

Transgender & Nonbinary Offenders Group and All Genders Relationship Violence Survivor's Support Group

Over the past year, a specific group for Transgender & Nonbinary Offenders and an All Genders Relationship Violence Survivor's Support Group were created, along with the already existing Offenders groups for Men and Women. Group and individual counseling is offered to both victims and offenders struggling with relationship violence, and LGBTQ+ youth are also served. This program is also probation/court-certified for court-ordered clients. Specific services include assessment services, individual counseling for both victims and offenders of same-sex relationship violence, and a court-certified 52-week counseling program for voluntary, as well as court-mandated, individuals to receive treatment for relationship violence. For more information, please contact our Information and Referral Specialist at 619.692.2077 x208 or onduty@thecentersd.org. You may also contact Steve Carroll at 619.692.2077 x139, or scarroll@thecentersd.org.

Creating Kin: Processing Group

The path to parenthood isn't always straight and the winding roads can be tough to navigate. In 2020, Families @ The Center

created this group which offers a space to share and process the challenges that can come with this transitional time. This group is facilitated by a licensed therapist. Every 1st Monday of the month, 6:30pm-7:30pm. For more information, contact the Families program at families@thecentersd.org.

Creating Kin: Resource Group

In addition to the Creating Kin: Processing Group, this community building group offers access to inclusive resources and education. Topics change every month, along with guest speakers/providers who will join to answer questions and share information. Every 4th Monday of the month, 6:30pm-7:30pm. For more information, contact the Families program at families@thecentersd.org.

Bi-Pan-Fluid Discussion Group

The Bi-Pan-Fluid discussion group is open to all sexes and genders, and is a safe place to explore and discuss what is happening in your life. Our

experiences are unique but similar, and this group is a safe and inclusive place for us to come together to support each other, and to talk about our feelings, our identities, and our relationships. Every 3rd Wednesday of the month, 7:00pm-8:00pm. For more information, contact Charles Enciso at cenciso@thecentersd.org.

Disabled Out and Proud Discussion Group

This group is an open, safe, and inclusive space for all LGBTQ people with disabilities. Join us in a

non-judgmental environment to socialize, share experiences, and support each other in successfully navigating the able world and thriving in our LGBTQ community. Every 1st Thursday of the month at 6pm. For more information, contact Charles Enciso at cenciso@thecentersd.org.

Senior Social Hour

During the COVID-19 pandemic, our Senior Services have only increased their offerings. If you are 50 years or better and looking to

connect with others in our community while safely social distancing – join us! We'll be checking in on each other, making new friends, attending virtual classes and events, and supporting one another as we stay safe at home. For more information, contact Elisa Barnett at seniors@thecentersd.org.

Sunburst Youth Housing Project in collaboration with Stepping Stone

Over the past year, our Sunburst Youth Housing Project has developed

a successful program and partnership with Stepping Stone of San Diego, one of the nation's only alcohol and drug treatment programs specializing in the Gay, Lesbian, Bisexual and Transgender community. Residents at Sunburst Youth Housing have been offered onsite and virtual classes by Stepping Stone, such as Addiction 101, as well as individual counseling with Stepping Stone staff.

NEW PROGRAMS

#BeTheGeneration

In 2014, The San Diego LGBT Community Center launched the groundbreaking #bethethegeneration campaign as an aggressive and strategic effort to end new HIV transmissions in San Diego. In 2020, #BeTheGeneration (#BTG) adapted to the community's needs by becoming The Center's comprehensive Sexual Health & Wellness Program that ensures individuals are empowered to take charge of their sexual health and well-being. Comprised of five tenets, this program will Empower by utilizing a robust combination of education,

engagement, and services; Fight to reduce stigma and barriers and improve access to screening; Test so individuals know their status; Protect by providing information to make informed choices on how to remain HIV negative and STI free; and Treat by providing resources and care should they be diagnosed with HIV or other STIs.

Project TRANS Free Binder & Tucker Program

Project TRANS at The Center is providing community members with free binders and tuckers. These affirming undergarments can safely help smooth

and compress the chest and bottom area to help alleviate dysphoria and improve overall well-being. This is an ongoing program and the items will be shipped directly to your home. For more information, and to get your binder or tucker, contact: trans@thecentersd.org or text 858.215.6914.

Prevention & Diversion Services (Youth and Adult)

The Center's Homelessness Prevention and Diversion Program is designed to assist individuals, youth and families in the County of San Diego who are facing housing instability or are currently unhoused. Clients who are already facing homelessness can receive assistance with referrals to shelter solutions, short-term case management, housing search assistance, temporary rental assistance, and deposit assistance. All clients receiving Prevention and Diversion services are able to receive referrals to public assistance benefits as appropriate as well as internal referrals to other Center programs. AIDS WALK & RUN SAN DIEGO

September 2021

Each year, more than 8,000 individuals, teams, social clubs, local businesses, schools and universities, and faith organizations will come together for AIDS Walk & Run San Diego.
