San Diego has the privilege of having the second oldest and third largest LGBT Community Center and, thanks to a dedicated and generous community, has been able to sustain one of the most vital and effective resources in the nation.
DEAR CENTER SUPPORTERS,

LGBT Community Centers are among the most critical resources in our nation. They provide the foundation for strong local LGBT communities, offer life-saving resources to the most vulnerable among us and are a launching pad for local and statewide equality movements. According to a 2010 report by the Movement Advancement Project (MAP) and CenterLink, nationally these centers provide vital information, education, community and health services to over 30,000 people per week (www.lgbtmap.org.)

San Diego has the privilege of having the second oldest and one of the largest LGBT Community Centers in the nation and, thanks to a dedicated and generous community, has been able to sustain it for more than 37 years. Providing safety net services, information and resources to LGBT youth, supportive housing for formerly homeless LGBT youth, addressing the struggles faced by our older LGBT adults, continuing to serve the HIV community, providing safe spaces, education and support for our LGBT families, and working to support our Latino LGBT community members are all a part of the daily work in Center programs.

We are proud of the amazing work the Center staff continues to do, proud of the 46,000 people we were able to serve last year and proud of the many volunteers and generous community members who help make that work possible.

With sincere gratitude,

Dr. Shaun Travers  
Co-Chair, Board of Directors

Dale Kelly Bankhead  
Co-Chair, Board of Directors

Dr. Delores A. Jacobs  
Chief Executive Officer
Mission Statement

The mission of The San Diego LGBT Community Center is to enhance and sustain the health and well-being of the lesbian, gay, bisexual, transgender and HIV communities by providing activities, programs and services that

• Create community,
• Empower community members,
• Provide essential resources,
• Advocate for civil and human rights, and
• Embrace, promote and support our cultural diversity.

The San Diego LGBT Community Center is the nation’s second oldest and third largest LGBT community center. Functioning as the LGBT community’s flagship organization, The Center is led by a 20-member board of directors, employs over 40 paid staff and utilizes more than 800 community volunteers to achieve its twin goals of promoting LGBT health and human rights. The Center provides direct program services to the many different facets of the LGBT community, including youth, seniors, families, LGBT Latino community members and their families, and those struggling with HIV.

---

More than 85 cents of every dollar donated to The Center funds vital programs and services.

### Where the Money Comes From

- **Government Grants**: 44%
- **Individual, Foundation & Corporate Support**: 53%
- **Other Income**: 3%

### Where Your Money Goes

- **Programs & Services**: 85%
- **Fundraising**: 11%
- **Management**: 4%
Behavioral Health Services

The Center is home to the only community-based mental health clinic in all of San Diego County dedicated specifically to the behavioral health needs of the LGBT and HIV communities. It is also the largest provider of dedicated HIV mental health services in San Diego County.

While The Center provides ongoing individual, couple and family counseling, we also provide counseling services to youth, seniors, families, those struggling with relationship violence and transgender persons who need assistance with transition.

Family Matters

Family Matters serves approximately 400 LGBT and allied parents, their children of all ages and their friends and extended families. It offers support and educational opportunities for all parents and prospective parents, in addition to playgroups and social opportunities for families throughout San Diego County. Along with its full range of programming, Family Matters provides all children growing up in LGBT-headed families a place to see other families like theirs. That recognition, along with the support and affirming environment Family Matters offers our families, is vitally important to the development of our children.

Hillcrest Youth Center

The Hillcrest Youth Center is the only drop-in center for LGBT youth ages 14-18 in San Diego County. It makes a life-changing difference for the youth who come through the doors each year. Too often their families, churches or schools have failed to protect and care for them. With your support, The Center can continue to be there for each one of them!

Latino/a Services

The Center’s Latino/a Services program is a source of strength and support for LGBT Latino/as and their families. The program offers a range of services including Spanish-speaking support groups for LGBT people and their families, a drop-in center, client advocacy, transgender support services, HIV/STD prevention and education and so much more.
Senior Services

Senior Services and our “50 and Better Together” group strive to create a safe place for those 50 and up to access important resources and referrals related to health care, social services and other community activities.

As San Diego celebrates our growing number of LGBT seniors, it is vitally important that we are able to provide services to the ever-growing Stonewall generation of older LGBT adults whose struggle for equality is the foundation of today’s work.

Sunburst Housing Project

The Center’s Sunburst Housing Project — which provides stable housing and support services to 23 formerly homeless LGBT and HIV-positive young people — is a supportive housing program, offering not just housing, but also a full range of case management and support services to help increase the opportunities for a successful transition into young adulthood. Your continued support can help change the lives of those who have been too often tossed away, or left behind.

Women’s Resource Center

Each month, more than 150 women access support and resources through the WRC. The WRC offers a diverse array of educational and social programs and the women’s coming out group remains life saving and life-changing, providing support to women at a truly significant time in their lives.
Core Center Programs

Dining Out for Life® San Diego

Join us on Thursday, April 28, 2011, for The Center’s fourth annual Dining Out for Life®.

Dining Out for Life® is an international fundraising event involving the generous participation of restaurants throughout the country. In exchange for pledging 25%-100% of their day’s food and liquor sales, restaurants receive promotional materials and are listed in a city-wide marketing and advertising campaign in an effort to increase customer traffic.

Dining Out for Life® raises funds to benefit The Center’s HIV/AIDS services and prevention programs.

AIDS Walk San Diego

AIDS Walk San Diego is San Diego’s largest one-day HIV/AIDS fundraiser and the biggest non-governmental financial provider for HIV/AIDS in San Diego County.

HIV/AIDS agencies in San Diego County — serving thousands of clients — rely on funds raised at the annual AIDS Walk to help provide essential prevention and care programs to thousands of men, women and children living with HIV/AIDS.

Established as AIDS Walk San Diego in 1989, this event took place for two years prior as the Walk for Life. Through a unique funding partnership with the San Diego HIV Funding Collaborative, AIDS Walk San Diego is able to increase the impact of the dollars raised at the event. Funds from the Walk are combined with donations from other philanthropists and foundations to qualify for matching funds, which are distributed to local HIV/AIDS service providers.

For more information about volunteering at The Center, please contact the volunteer coordinator at volunteer@thecentersd.org or 619- 692-2077 x210.
