The mission of The San Diego LGBT Community Center is to enhance and sustain the health and well-being of the lesbian, gay, bisexual, transgender and HIV communities by providing activities, programs and services that:

- Create community,
- Empower community members,
- Provide essential resources,
- Advocate for civil and human rights, and
- Embrace, promote and support our cultural diversity.
For forty years, The Center has been dedicated to making life better for all members of our LGBT and allied communities. In the last year alone, community members have reached out to The Center more than 50,000 times for support, safety and services. The need is great, but we have been able to help make things better in both small ways and large.

Your help makes that possible.

One of the great strengths of the San Diego LGBT community is the willingness of so many individuals to unite to care for each other and to accomplish things none of us might achieve alone. It is that strength, that fundamental concern for the welfare of others and that insistence that each of us and all of us can make a difference that drives us forward.

Ours is not a perfect world, but it is a much better world than it was four decades ago. We are proud to have played a part in that change and grateful to have had this community by our side.

With your help, we work every day to make it better.

The San Diego LGBT Community Center is the nation’s second oldest and one of the largest LGBT community centers. Functioning as the LGBT community’s flagship organization, The Center is led by an 18-member board of directors, employs over 40 paid staff and utilizes more than 800 community volunteers to achieve its twin goals of promoting LGBT health and human rights. The Center provides direct program services to the many different facets of the LGBT community, including youth, seniors, families, LGBT Latin@ community members and their families, and those struggling with HIV.

It is an explicit goal of all Center programs to be inclusive and representative of the diversity found in the San Diego community. Honoring, promoting and celebrating our community’s amazing diversity are central organizing principles for The Center, as well as part of our mission statement. We are proud that both our staff and client demographics nearly exactly reflect the demographics of San Diego County and, in some instances, are even more diverse.
In 2013, our community will reach out to The Center 50,000 times for support. Will you help with a generous gift to The Center today so we can help MAKE IT BETTER?

*Some names and photos have been changed to protect the individuals’ privacy.*

**Thomas** now has a safe place to live and a stable job with the support of The Center’s Youth Housing Project. Thomas called The Center after he was forced into homelessness because his family began physically abusing him when they found out he was gay. Now, with this comprehensive support, he can pursue his dreams of going back to school and working in healthcare.

**Barbara** first got involved with The Center through the Young Professionals Council. She was so inspired that she also began volunteering for The Center’s Equality Voters Project. The project gives her an opportunity to help mobilize LGBT voters and advocate for the civil rights policies she cares so much about, like marriage equality and stopping all forms of LGBT discrimination.

When **Oscar** found out he was HIV positive, he was overwhelmed and devastated. He contacted The Center and began receiving counseling at The Center’s Latin@ Services. The support and resources he receives there have helped him take control of his health and keep his life goals in place. Equally important, he was able to bring his family in for a Spanish-speaking group so they could learn more about HIV in a comfortable environment.

**Sandra** and **Marie** bring Lillie to The Center’s Family Matters programs and events so they can see first-hand that there are many proud LGBT-headed families like theirs. In spite of the anti-LGBT messages many children hear at school, at The Center they get to connect with other families that share their commitment to treating all people with respect and equality.

**George** knows all about the importance of service and commitment. He volunteers and participates in the programming of The Center’s Senior Services. He comes to The Center to stay involved in the LGBT community he loves, and to do more to ensure that LGBT seniors don’t face the challenges of aging alone – himself included.

At The Center’s Hillcrest Youth Center, **Devon** gets the chance to connect with other LGBT youth in a safe place and share his story and develop his talents through the arts and media programs there. The Center and its events and programs help him feel less isolated, and give him the resources and support he needs to finish high school and envision a positive life beyond that.

**In 2013, our community will reach out to The Center 50,000 times for support. Will you help with a generous gift to The Center today so we can help MAKE IT BETTER?**
Dining Out for Life®
San Diego

Join us on Thursday, April 25, 2013, for The Center’s fifth annual Dining Out for Life®

Dining Out for Life® is an international fundraising event involving the generous participation of restaurants throughout the country. In exchange for pledging 25%-100% of their day’s food and liquor sales, restaurants receive promotional materials and are listed in a city-wide marketing and advertising campaign in an effort to increase customer traffic.

Dining Out for Life® raises funds to benefit The Center’s HIV/AIDS services and prevention programs.

AIDS Walk San Diego

AIDS Walk San Diego is San Diego’s largest one-day HIV/AIDS fundraiser and the biggest non-governmental financial provider for HIV/AIDS in San Diego County.

HIV/AIDS agencies in San Diego County — serving thousands of clients — rely on funds raised at the annual AIDS Walk to help provide essential prevention and care programs to thousands of men, women and children living with HIV/AIDS.

Established as AIDS Walk San Diego in 1989, this event took place for two years prior as the Walk for Life. Through a unique funding partnership with the San Diego HIV Funding Collaborative, AIDS Walk San Diego is able to increase the impact of the dollars raised at the event. Funds from the Walk are combined with donations from other philanthropists and foundations to qualify for matching funds, which are distributed to local HIV/AIDS service providers.
