IT STARTED WITH ...

In 1971 our world was a very different place. Being “out” simply wasn’t an option for many. Just being a member of the LGBT community could be dangerous, and there was no place to turn for help.

We are proud of the history of The Center’s service. Originally just an answering machine in a borrowed closet that served as a lifeline for those looking for compassionate connection, it is now the nation’s second oldest and one of the largest LGBT Community Centers, providing our community with more than 73,000 direct service hours each year.
