The Mission of The San Diego LGBT Community Center is to enhance and sustain the health and well-being of the lesbian, gay, bisexual, transgender and HIV communities by providing activities, programs and services that:

- Create community,
- Empower community members,
- Provide essential resources,
- Advocate for civil and human rights, and
- Embrace, promote and support our cultural diversity.
(d.b.a., The Center) is one of the largest and most vibrant LGBT community centers in the nation. Functioning as the San Diego LGBT community’s anchor organization, The Center is led by a 10-member board of directors, employs more than 55 paid staff and utilizes more than 1,200 community volunteers to achieve its twin goals of promoting LGBT health/wellness and human rights. The Center provides targeted programs and services to the full diversity of the San Diego LGBT community, including men, women, youth, seniors, transgender and non-binary individuals, families, LGBT Latin@ community members and their families, and those living with HIV. Last year, The Center provided more than 82,000 direct service visits to San Diego community members, and through its events, activities and advocacy, touched the lives of thousands more.
Every year at The San Diego LGBT Community Center has its milestones and challenges – supporting, serving and advocating for our community at the highest levels. This year was a year of significant leadership change for The Center, as Dr. Delores A. Jacobs – our dedicated and respected chief executive officer for the past 17 years – stepped down at the end of June.

But true to form, Delores worked tirelessly with the board to ensure a thoughtful and transparent transition. The extensive effort included community engagement with our diverse Center stakeholders and a national executive search. And at the end of that rigorous process, we were thrilled to announce that we found our next leader very close to home – our very own Caroline (Cara) Dessert, Esq.

Cara had previously served as The Center’s Chief Development and Community Engagement Officer. She and Delores helped us successfully secure a $2 million match opportunity and an additional $1.6 million gift that enabled The Center to pay off its mortgage at our Centre Street location. Prior to that, Cara was the executive director of Immigration Equality, a national organization focused on LGBT immigrant rights. Many of us came to know Cara during her time as the lead field organizer for our local efforts to defeat Proposition 8. Her enthusiasm, focus and dedication have always been clear, perhaps never more so than in the last six months as she’s made the transition into The Center’s chief executive officer.

Our Center – and our community – are fortunate to have had such incredible leaders like Delores and Cara to help us achieve great things this past year. You’ll read more about those in this report, but we can’t go without highlighting two of the most significant accomplishments.

In April of this year, we opened San Diego’s first LGBT senior housing community in partnership with Community Housing Works, providing affordable and affirming housing for those who came before us and helped pave the path toward equality. Then, in November, we saw the power of The Center’s advocacy efforts materialize as we helped mobilize Equality Voters to create change at the ballot box.

We have much to look forward to in 2019, and thank you for your continued and vital support of The San Diego LGBT Community Center.

With sincere gratitude,

Simonne Ruff and G. Joyce Rowland
Co-Chairs, San Diego LGBT Community Center Board of Directors
It is truly my privilege to present you with The San Diego LGBT Community Center’s annual report. All of us at The Center – our board, staff and volunteers – are honored to carry forward the invaluable work of The Center that has made such difference for our community for 47 years.

Today, The Center continues to embody the values set forth since our founding – to provide support for our community’s most vulnerable; to create a place for our LGBT community to come together, to belong; and to fight for our basic human rights and dignity.

Last year, The Center provided 82,000 service visits to our community, and thousands more came through our doors to find community. We remain committed to opening those doors even wider for more people in our beautifully diverse community.

This next chapter of The Center is an exciting one, but also a challenging one. We will continue to fight for those who are most marginalized – our transgender community, immigrants, and those at highest risk for HIV.

As one of the largest and most vibrant LGBT community centers in the country – thanks to incredible and ongoing community support – we will do even more to ensure that The Center’s life-changing, and sometimes life-saving, services are available and accessible to everyone who needs them.

Last year, in partnership with Community Housing Works, we were thrilled to open San Diego’s first LGBT senior affordable housing community, not just to provide housing for our elders, but also to honor and thank them for their contributions to our community. In 2019, we opened our new South Bay Youth Center to better serve our LGBTQ and non-binary youth, youth living with HIV, and their families and allies.

The Center continues to be a source of hope, and direct assistance, to our LGBTQ asylum seekers. We will continue to support our transgender community members – young and old – with programs and services they want and need. We will continue the work on all fronts to #BeTheGeneration to end HIV. And we will strive to change the landscape where 40% of homeless youth are LGBTQ, where LGBT people of color continue to experience significant health disparities and where too many of our seniors still experience isolation and loneliness.

Together, we will continue to work and create a San Diego where LGBT people and our families are connected, healthy and thriving. Thank you for joining us in these efforts, and for your generous support of our community’s center.

Sincerely,

Caroline (Cara) Dessert, Esq.

In 1971, our world was a very different place. Being “out” simply wasn’t an option for many. Just being a member of the LGBT community could be dangerous, and there was no place to turn for help.

Originally just an answering machine in a borrowed closet that served as a lifeline for those looking for compassionate connection, it is now one of the largest and most vibrant LGBT Community Centers in the nation, providing our community with more than 82,000 direct service visits each year.

#BeTheGeneration is our comprehensive campaign that seeks to end new cases of HIV by 2024 through a combination of education, outreach, and services. #BeTheGeneration encompasses all of The Center’s programs, and ensures that stigma and barriers to testing are broken down (fight) so that individuals know their status (test), and can make informed choices on how to remain HIV negative (protect), or take care of their health should they be diagnosed with HIV (treat).

Along with the OraQuick HIV Rapid Antibody test, The Center also offers the UCSD Early Test, Monday through Friday from 9am to 8pm (last appointment at 7pm), and Saturday from 10am to 3pm. The Early Test is a specialized viral load test that can detect acute (very early stage) HIV infection as soon as one week after potential exposure. Hepatitis C Rapid Antibody testing is also available every day. For more information, call 619.692.2077 x101 or visit events.thecentersd.org/BTG.

In 2018, we had 18 people with a preliminary positive result. 16 of those 18 (89%) were linked to care. As of today, 100% of those linked to care are still in care.

Being Beautiful by Pepper Price

“I found out I was HIV-positive over 14-years ago, and at first, wasn’t sure what to do. I was lucky though to get into medical care and have made sure to visit my doctor every 3 months, and adhere to my medication. It’s important to me to regularly visit my doctor so that I can continue to live and be beautiful.”

Continuing to #BeTheGeneration by Raul Robles

“I am happy to say that I have been undetectable for over 10 years. I am proud to tell people about my treatment and my status to give them hope that they can live a happy, healthy life regardless of their HIV status. Being open about my status is an important way to fight HIV stigma and educate my community about living undetectable.”

Beyond the binary with #PrEP by David Vance

“In the midst of coming out as nonbinary, I was fortunate enough to begin working as the PrEP Coordinator at The San Diego LGBT Community Center, where I help folks of all backgrounds and identities get and stay on PrEP.”
