Aromantic and Asexual Discussion Group

1st and 3rd Tuesday of every month, from 7:00pm - 8:30pm.

Aromantic is a romantic orientation defined as having little to no romantic attraction or desire. Asexuality is a sexual orientation defined as having little to no sexual attraction or desire. Like all sexualities and romantic orientations, there is a spectrum of experiences, in which all are valid. This is a support and discussion group for all people who identify on the aromantic or asexual spectrum, or both. Those who are questioning are also welcome.
